

Mudtoad Swim Team Sponsorship Form

Marlbank Recreation Association 2014

The Marlbank Mudtoads are soliciting sponsorships from members, residents and local business owners interested in supporting our swim team. The Marlbank Recreation Association is a non-profit organization that provides development opportunities for over 130 local youth through competitive swimming. Sponsorship funds are used to offset the costs of coaching salaries, supplies, equipment and fees necessary to compete in the Greater Peninsula Swimming Association.

Since 1972, the Marlbank Recreation Association has encouraged our youth to strive for success both in the pool and in our community. The Mudtoads proudly promote fitness, sportsmanship, leadership and teamwork. Athletes are known to be high achievers in their academic and professional endeavors and our swim team families are known to be loyal to our team sponsors! We look forward to your help in continuing the tradition this season!
